

April 1, 2026

Dear AVAHO Partners,

We invite you to participate as an exhibitor at our upcoming annual meeting on September 11-13, 2026, at the Austin Marriott Downtown, Austin TX. The event is open to multiple sponsors, and the exhibit hall is separate from the program areas. Our program focuses on various treatments and management of oncology diseases. This year our theme is “Strengthening the Community.”

AVAHO is the Association of VA Hematology/Oncology, dedicated to improving oncology care for our veterans. AVAHO has been providing our annual meeting and educational programs for more than 20 years and our attendance has been growing steadily. Currently, we anticipate about 500+ attendees (in-person) ranging from all specialties - physicians, nurses, advanced practice nurses, pharmacists, cancer registrars, social workers, and many allied health professionals.

Our mission and purpose is to advocate for and provide leadership in delivering quality comprehensive care to Veterans diagnosed with cancer and hematologic disorders. We do this by:

- Offering educational programs to members with the goal of improving the quality of cancer care to Veterans
- Facilitating networking between members to broaden knowledge and best practice
- Exploring and facilitating research across the range of disciplines within the membership.

Please see the 2026 Industry Prospectus for details on our exhibit and sponsorship options. Registration will open (on [the AVAHO website](#)) for exhibit space on Wednesday, April 8 at noon eastern time. We encourage you to register as soon as possible once registration starts. All exhibit and sponsorship opportunities are available on a first-come, first-serve basis. This meeting has sold out before.
