Dear AVAHO Partners,

We invite you to participate as an exhibitor at our upcoming annual meeting on September 29-October 1, 2023 at the Sheraton Grand Chicago Riverwalk.

AVAHO is the Association of VA Hematology/Oncology, dedicated to improving oncology care for our veterans. AVAHO has been providing educational programs for over 15 years now and our attendance has been growing steadily. Currently, we anticipate about 750 attendees (in-person and virtual) ranging from all specialties - physicians, nurses, advanced practice nurses, pharmacists, cancer registrars, social workers, and many allied health professionals. Our members come from many VA facilities throughout the country including Puerto Rico.

Our mission and purpose is to advocate for and provide leadership in delivering quality comprehensive care to Veterans diagnosed with cancer and hematologic disorders.

We do this by:

- Offering educational programs to members with the goal of improving the quality of cancer care to Veterans,
- Facilitating networking between members to broaden knowledge and best practice, and
- Exploring and facilitating research across the range of disciplines within the membership.

Our program focuses on various treatment and management of oncology diseases. This year our theme is "Advances in Oncology: Transforming How We Think About Cancer Care"
