Dear AVAHO Partners,

We invite you to participate as an exhibitor at our 2nd Regional Meeting in Indianapolis on Saturday, May 6, 2023. The venue will be at the Omni Severin Hotel. The meeting will be held from 10:00 am to 3:00 pm.

AVAHO is the Association of VA Hematology/Oncology, dedicated to improving oncology care for our veterans. AVAHO has been providing educational programs for over 15 years now and our attendance has been growing steadily. Currently, we anticipate about 100 attendees (in-person) ranging from all specialties - physicians, nurses, advanced practice nurses, pharmacists, interested in the CAR-T therapy process in the VA.

AVAHO exists to increase the skills and abilities of veteran-centered cancer care professionals across all disciplines so they can provide the best possible care for our veterans.

We do this by:

- Offering educational programs to members with the goal of improving the quality of cancer care to Veterans,
- Facilitating networking between members to broaden knowledge and best practice, and
- Exploring and facilitating research across the range of disciplines within the membership.

The exhibit fee for this event is \$3,000. It includes the following:

- 6 ft tabletop display
- 2 chairs and wastebasket
- 2 full registrations to attend the conference
- Meals associated with the event
- Company name and/or logo on rotating slides during breaks
